

It's never been easier to rent an office.

You can find out all about workONE at workONE.ch

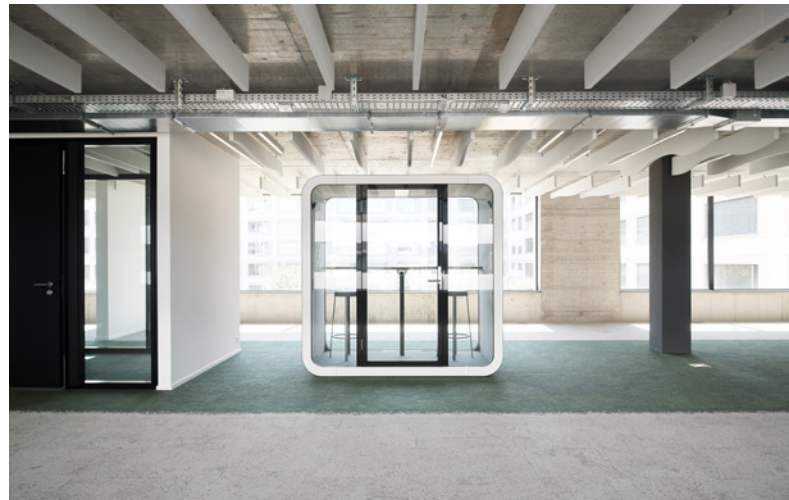

You want easy. We have easy.

What exactly does that mean? At workONE, everything is straightforward: the rental fee covers everything – there's **no security deposit** or **utility costs**. The **open-ended rental contract** is just two pages short, whether you're renting **180** or **1,500 square metres**. The offices are **already laid out** and include a meeting room, focus rooms, a phone booth and a kitchenette. You just need to bring your furniture – with workONE, it's that easy.
